

Manu's Personal Finances Report

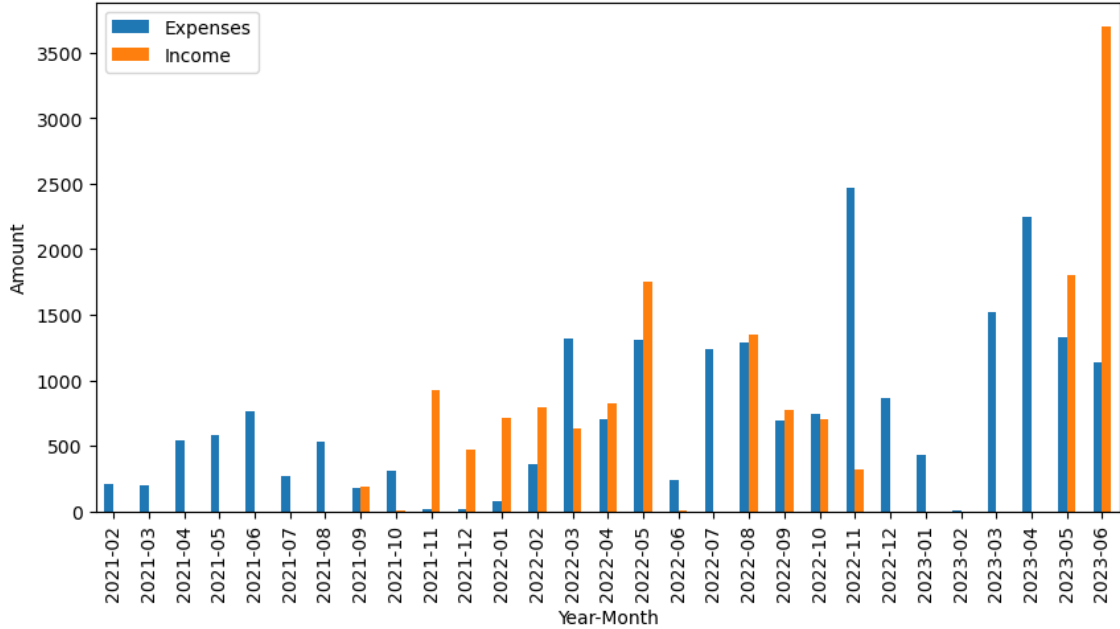

Date: 2023-06-20

Author: Manu Malotra

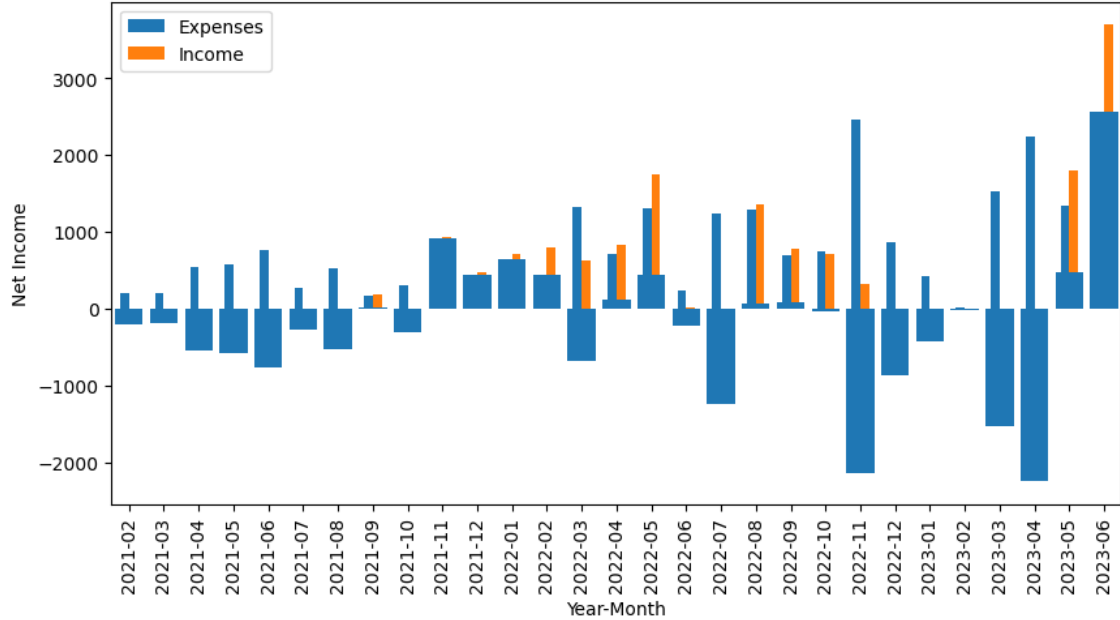

The chart displays monthly financial data from February 2021 to June 2023. The x-axis represents the 'Year-Month' and the y-axis represents the amount in US dollars. Blue bars indicate expenses, and orange bars indicate income. The data shows a general upward trend in both categories over the two-year period, with a significant spike in income in June 2023.
